美チョコラ コラーゲンプレミアム

7+2 types of beauty power

[Nutritional supplement]

In addition to the basic beauty ingredients, collagen, vitamins C, B₆, B₂, and B₁, niacin, and pantothenic acid, 2 more ingredients, lactic acid bacteria, which we should try to take on a daily basis, and iron, which we often lack, are also included. This supplement contains a well-balanced blend of 9 ingredients that supports resilient and radiant life from within the body, so you can look beautiful and feel full of energy every day.

Characteristics of Bi Chocora Collagen Premium

- 7+2 types of beauty power

In addition to 7 types of vitamins and minerals, it also contains collagen and lactic acid bacteria. It is supplemented with 9 ingredients.

- 1.7 times more collagen and 2 times more vitamin C

The amounts of collagen and vitamin C in the recommended daily intake have been increased compared to “Bi Chocora Collagen”.

- Contains iron and lactic acid bacteria

In contrast with “Bi Chocora Collagen”, 2 additional ingredients, lactic acid bacteria, which we should try to take on a daily basis, and iron, which we often lack, have been added to the formula. This product contains 50 billion rice-derived (vegetable) lactic acid bacteria (converted at the time of manufacture).

Maintain a balanced diet including a staple food, a main dish and side dishes.

Directions for Use

The recommended intake is 5 tablets per day. Swallow tablets together with a drink such as water, without chewing.

Note on the use of this product

- Consuming a large quantity of this product does not cure disease or promote health. Keep to the recommended daily intake.
- Consult the list of ingredients, and if you have allergies to any ingredient, avoid using this product. Do not use this product if it does not suit your physical constitution/condition.
- Depending on your physical constitution/condition, loose bowel movements may occur.

Ingredients

Nutrition Information Per 5 tablets (1.65 g)

Ingredients	Amount
Energy	6 kcal
Protein	1.1 g
Fat	0.04 g
Carbohydrate	0.28 g
Salt equivalent	0.036 g
Vitamin C	100 mg
Vitamin B ₁	1.0 mg
Vitamin B ₂	2.0 mg
Vitamin B ₆	10.0 mg
Niacin	25 mg
Pantothenic acid	10.0 mg
Iron	5.0 mg
Collagen peptides (manufactured	

domestically)	1000 mg
