

ザーネメディカルスプレー （販売名：ザーネメディ カルスプレー）（製造終 了）

Category-2 OTC Drug

ザーネメディカルスプレー

For xeroderma care

Brand name: SAHNE Medical Spray

SAHNE Medical Spray is a skin moisturizer containing the active ingredient heparinoid 0.3%. Moisturizes and restores dry troubled skin. A spray-type lotion which spreads to wide areas by one push and can be sprayed upside down.

Point

- Evenly spreads to wide areas by one push! It can be sprayed upside down, allowing you to easily apply the lotion on the back, side, and back of thighs! A fine mist-like lotion. It can also be applied on the face.
- For the face, please spray an appropriate amount on the hand and then apply it to the face.
- This product should not be used on the eyes, periorbital area, or mucosa (for example, oral cavity, nasal cavity, vagina, etc.).
- Fragrance free, uncolored, ethanol free.
- Contains no steroids as ingredients.

Indications

Skin roughness

dry skin

Relief of the following symptoms:

Finger roughness, xeroderma, elbow/knee/heel/ankle keratosis, dry skin in children, frostbite (except for skin erosion), cracks/chapped skin of hands and feet, lumpy/tight sensation of the skin after wound/burn (except for the face), swelling/muscular pain/joint pain after bruise/sprain

Dosage and Administration

Spray an appropriate amount to the affected lesion once to several times a day. For the face, spray an appropriate amount on the hand and then apply it to the face.

1. Follow the specified dosage and administration.
2. When allowing children to use the medicine, a guardian must be present to watch the child and instruct them how to use it.
3. Attention should be paid so that the medicine will not come into contact with the eyes. In case the medicine comes into contact with eyes, immediately rinse them with water or lukewarm water. If the symptoms are severe, seek an ophthalmologist for medical treatment.
4. This medication is only for external use. Do not take it orally.
5. When using the medicine on the neck or scalp, be careful not to inhale the medicine.
