Quasi-drug

Makes the skin firm and conditions its texture

ベラリス®

(Brand name: 薬用ベラリス)

Veraris

- Contains organic aloe vera.
- The transparent gel is springy like aloe leaf pulp, and when spread on the skin it instantly smooths out into a moisture-rich lotion.
- The moisture blends into your skin, conditioning the skin's texture and preventing roughness.
- For use at times such as after being sunburnt, after sports, or after taking a bath.

Package	Recommended retail price (tax included)
128 g	¥918

Indications

Treats hot flushes after sunburn or frostbite, conditions the skin's texture, keeps skin healthy, moisturizes skin, makes skin firm, prevents skin roughness, inflammation, and shaving rashes, prevents heat rash, chilblains, cracked skin, and chapping, cleanses skin, and treats oily skin

Usage

Use on areas such as the hands, face, neck, arms, shoulders, feet, and back. Use it on flushed skin or areas that you want to take care of.

Active Ingredients

ε-Aminocaproic acid, pantothenyl ethyl ether

Other Ingredients

Aloe juice powder-2, carboxyvinyl polymer, triethanolamine, paraben, phenoxyethanol

Precautions

- Take care that skin abnormalities do not occur, and if the medicine does not suit your skin, stop using it.
- If abnormal conditions such as redness, swelling, itching, irritation, depigmentation (such as vitiligo) or darkening of the skin occur, discontinue the use of this medicine and consult a dermatologist or other health professional. Continuing to use the medicine may cause symptoms to worsen.
- Do not use on areas with abnormal conditions such as cuts, swelling or eczema.
- Always close the cap after use, and store away from direct sunlight.
